**Happy
New Year!**

Greetings Members!

Ballots for the proposed budget for 2021-2022 based on 147 members as approved by the Board of Directors have been mailed out to equity members for consideration and vote, so please watch for them in your mailbox. We are pleased to announce there will be no dues increase this coming year, although we do feel it necessary to continue with the semi-annual property tax assessment in order to keep our budget balanced.

Although 2020 has been a crazy year for all of us and many businesses have struggled, PGC has managed to keep moving along and accomplish many projects, and we have every intention of continuing in that effort this coming year. None of this could have been accomplished without careful oversight

of our finances, planning, and the continued support and patience of our members; for that we would like to "**Thank each and everyone of you!**"

Starting with the New Year, let's extend a warm "Welcome" to our club's new head professional Garrett Payton; we look forward to having you be a part of PGC and our continued effort to keep our club safe in order to provide our members and guests a great golfing experience.

Cheers to 2021 being a great and much better New Year!

Deborah, President
Board of Directors
