PRO SHOP NEWS

Chad Wagner Reporting

Ladies and Gentlemen,

I would like to remind everyone that with winter weather it is important to pay attention to the cart path sign near the pro-shop. Please abide by these rules so we can keep our course looking great!

From Tuesday, December 8th through Saturday, December 12th, we will be having our annual Christmas Sale! This will run from 8am to 4pm daily. With the recent rise in COVID-19 cases we feel this is the safest way. Just like in the past, do your shopping, grab an envelope and head to the counter to see what discount you get! Discounts will be from 20%-100%. Let us help with that Christmas shopping with the biggest discount of the year!!

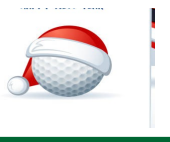

With the new orders from the Governor, we will be closing the simulator room until December 14th. I will come up with an updated schedule for simulator merchants league once it is safe to do so.

From all of us in the pro-shop we wish you and your families a safe and Happy Holidays!

Best regards,

Chad Wagner, PGA

From the President

Deborah Jacobs

In compliance with Governor Inslee's recent Covid-19 restrictions, the Clubhouse will be closed until at least December 14th, unless otherwise mandated by the Governor. During this time we will be doing some necessary maintenance and updates to the Clubhouse.

We would like to remind everyone to please make sure you close and lock the doors and turn the light off if you're using the locker room in the afternoon; with the Clubhouse closed we don't have our regular staff checking to make sure building is locked and secured when they close at night.

Thank you everyone for your patience as we continue to navigate through this pandemic.

Take care, be safe and healthy.

Deborah, President
Board of Directors

You find your ball embedded in the fairway. You place the ball a foot from where it was embedded and proceed to play the ball. Have you proceeded correctly?
