We have received "Preliminary Approval" for our Public Liquor License, conditional on the installation of a barrier within ten feet of the bar prohibiting minors from entering that area. Installation is scheduled for June 3rd; once complete and approved by the Liquor Authority, we should receive our license.

The Board of Directors would like to "Thank" our members and especially our clubhouse staff for your cooperation and patience; everyone has done a great job helping us work through this process.

Let's all have a great summer enjoying our club and playing golf!

Deborah, President
