## From the President

Deborah Jacobs

**The Board of Directors** regular scheduled monthly meeting was held on Tuesday, May 18th. In order to keep within the Governor's social distancing/group guidelines we were not able to open the meeting to the membership, and we thank you for your understanding.

Copies of the meeting notes and April P&I report are available upon request. Feel free to send Laurie an email and she'll be glad to send them to you.

We are pleased our members are now able to get out and enjoy the course and play some golf as the regulations have been eased with regards to golf

and to allow foursomes. Tory and his crew have done an amazing job keeping our course maintained, so please give them recognition if you see them.

The Clubhouse is currently being prepared for re-opening in compliance with the social dis-restaurant Covid-19-Phase 2 and Department of Health regulations. We hope to reopen as soon as possible once our County is approved by the Governor's office to move into Phase 2.

Thank you so much for your patience and cooperation as we have worked through this crisis, we appreciate your support.

PGC Board of Directors

## PRO SHOP NEWS Chad Wagner Reporting PGA Head Golf Professional

PGC Members,

I would like to say thank you to Tory Clayton and our Maintenance crew for having the course in such great condition.

### June Schedule

- Sunday June 7th- One person Scramble- 75% of handicap- Tee times from 7:30am-9:30 am.
- Gorge Vale has been canceled. I will update everyone if we are able to reschedule but with current border restrictions no date has been set.
- Merchants league has started with a modification. Teams are allowed to play 7 days a week anytime they want in order to not have a big gathering on Wednesday nights.
- Mulligans for Mavrik -June 5th-7th-\$80 per player includes GF, Cart, & Range. As some of you have heard, a young man who has participated in our junior leagues had a bad dirt bike accident. He is currently at Harborview

Hospital. Every round played with this special will generate donations for Mavrik and his family during this tough time. Obviously, this is set for public play but any donations from members are greatly appreciated.

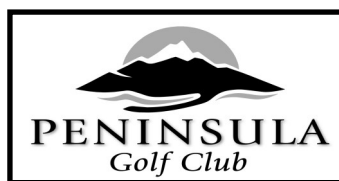

### Other important information:

- Summer rules will go into effect Monday, June 1st.
- We will continue to make changes to our schedule and how we operate as we move from phase to phase. I will be updating everyone via email when these changes occur.
- As we start to return to normalcy, I want to say thank you for your patience and understanding.
- Any questions or concerns my office is always open!

Chad Wagner
