New Covid-19 Requirements:

Dear Members:

As many of you are aware due to increased Covid-19 cases across the state Governor Inslee has announced changes to the Safe Start laws that apply to businesses.

Commencing Thursday, July 30th the following changes will affect our clubhouse business, below is a brief summary of the regulations, a complete summary of the changes is attached for your reference.

Indoor dining is limited to members of the same household.

All parties and tables must be limited to 5 people per table or less for inside or outside dining.

Customers must wear a face covering/mask anytime they are not seated, while being seated, going to the restroom and while they are talking at tables and not eating.

Alcohol sales must end at 10pm.

We thank you for your cooperation and compliance with these regulations in our effort to protect our business and the health and safety of our members/guests and staff.

Working together will get us through this!

Board of Directors

From the President

Deborah Jacobs

As many of you may have noticed there are several projects in process around the property, such as rebuilding the ladies #16 Tee box, repairs to parking lot areas where trees have buckled the asphalt, replacing the deck rails on the ramp to the service window and the step to the ladies locker room. Also, Tory & Gerald are in the process of purchasing much needed new equipment for the course.

These projects, along with those we have completed such as the new roof on the clubhouse, decks stained, kitchen painted, and new netting on the south side of the driving range have all been carefully planned and budgeted, and would not be possible without members donating their time, expertise and our members dues. The #16 ladies tee box project has been made possible and almost entirely funded by the Ladies Club.

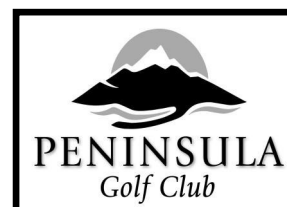

We would like to "thank" all those who have donated their time and funds to these projects and look forward to planning and budgeting for more, as time and funds are available, such as repairs to the cart paths and repainting the cart sheds, to name a few.

On another note, we appreciate everyone's effort in supporting our decisions to make PGC a safe and healthy environment to enjoy and play golf in this unprecedented time.

Deborah, President
Board of Directors

Cindy Schlaffman

The Ladies Club continues to play each Wednesday through the summer at 9 a.m.

Rena Peabody was crowned club champion for 2020 and Sue Barber was second low gross. Nan McAllister took low net honors with Ruth Thomson coming in second. Congratulations ladies!!

Golf Rules

Gary McLaughlin

What is the Ruling?

Your opponent in a match chips his ball onto the green, where you have been waiting for him to play. His ball stops on the line of your intended putt. You mark his ball and place it a few feet away. Should you be penalized?

The answer will be posted in the clubhouse.

Apologies

If you were one of the recipients of a recent email requesting help from me, my apologies for the intrusion. Unfortunately, a hacker/bot or some such evil thing got into my email and apparently sent many emails. I think I have resolved the issue. There was a positive outcome—several people called me about the email that I had not had contact with in quite some time!!
