## Garrett Payton, PGA Head Golf Professional

Hello All,

As we move along into the winter months cold mornings have hit us with a couple frost delays the past couple mornings. It would be extremely helpful if your group made a tee time the prior day so when we can get groups going, we can do so in a timely and organized manner. This will help us run a smoother more efficient operation and will be a good habit to get into as the days get nicer and more people start playing again. If your group wants a set time for the month, we have

forms in the pro shop that can be filled out and we can schedule your group for a set time during the week. We appreciate your understanding and as always if you have any questions, please feel free to call the shop.

Cheers,  
Garrett Payton

## From the President

*Deborah Jacobs*

The 2021-2022 Budget was approved by unanimous vote of the Equity Members at the annual General Meeting on Wednesday, January 20th. Thank you to everyone who participated in the voting process and approved our budget.

We are looking forward to completing more improvement projects, starting with repainting the Pro Shop, cleaning the roof, and planning for the cart path repairs which are next on our list.

Starting the first part of March, unless Covid-19 restrictions change otherwise, we are planning to open the Clubhouse to outside/window service for at least a few days a week (Thursday thru Saturday). We are looking forward to reopening the Clubhouse, even if it's limited, and getting things back to "somewhat" normal; we will keep everyone apprised as we move forward with our plans.

A big "Thank You" to Jerry Allen and CAD who surprised us with a generous gift of a new outdoor "retro" clock, (similar to the clock at Dungey), this will be a wonderful new feature to our Club. Thank you so very much to Jerry and CAD for your continued support and participation in making our club a great place for golfers to enjoy.

Everyone stay safe and healthy and let's make 2021 a much better year!
