The Retro Clock has been installed adding a great new feature to our Club. Thank You to Jerry Allen, the Cedars of Dungeness, and the Jamestown S'Klallam Tribe for your great contribution to our club's ongoing success and the wonderful dedication on the base of the clock. And, thank You to Todd Negus for facilitating this project, Tony Walker for donating your time and expertise with the electrical set up, and to Tory, Barry, and all those who helped with the installation of the clock.

As for other updates, we are waiting to hear back from Lakeside with a time frame for the cart path project; this being their busy season, our smaller project will most likely be delayed until they can work us into their schedule.

Let's play golf and have a great summer!

Deborah

ADMINISTRATOR NEWS Laurie McDonald

Starting this week, I will be back to my regular working schedule of Tuesdays and Thursdays 8:00 am to 2:30 pm. So happy to be able to walk again and not require a scooter or crutches to get anywhere. I sure appreciate all the support and well wishes from the members and fellow employees up at PGC. I work with an amazing group of people!

The 4th of July BBQ is on, we will just be serving it to members instead of a buffet. Come on down and enjoy Rena's yummy potato salad!!

We have cart sheds and lockers available. Let me know if you would like the agreement form. As always if you have a new mailing, email address or contact phone number please help me keep our records up to date.

Thanks, Laurie

What Is the Ruling?

As you and your opponent in a match reach the thirteenth green, you realize that each of you has hit the other's ball for your second shots. How do you proceed?

The answer will be posted in the clubhouse.
