## Pro Shop News Mark Morrow, Assistant Golf Professional PGC

Hello PGC! Hopefully May will be the month for good weather here! The power of positive thinking, right?

First, a bit of **review** from last month:

- + The first Men's Club event, the Opening Day Scramble was held on 4/3/22. The team of Curtis Rose, Greg Senf, James Puckett, and Dave Henderson finished in 1<sup>st</sup> place. Congrats fellas!
- + Our **merchant league** started the week of 4/20/22 and we've had excellent turnout so far. We retained 100% of the teams from last year and we even added a team and most teams added a player or two also! Thanks to the team captains for coordinating with us here in the Pro Shop! Be sure to read the 2022 rules so that all the teams are on the same page. Enjoy your weekly rounds merchants players! There's a lot of good camaraderie out there on the course!
- + Our **season-long shop games** are continuing. Be sure to talk with our Pro Shop employees for the updates and to ensure you are getting your rounds in to win!

Now, here are the next upcoming golf events at PGC that are open for signups:

- + **60<sup>th</sup> Spring Shotgun Invitational – Saturday & Sunday, 5/28/22 & 5/29/22** with the practice rounds on Friday, 5/27/22– Two-person shamble, 6 drive minimum ; anyone with a handicap is invited; \$260 per team (\$130 per player), 72 team limit. We have over half of the event filled already, so be sure to get your team and payment in ASAP! Call the Pro Shop today and we can help you get organized for it. We are excited to host this event! It is one of the best golf events and weekends of the year!

## From the President

Deborah Jacobs

What a great job was done by Casey Northern, with Jade Tisdale's help, rebuilding the retaining wall around the putting green, Thank you so much Casey for taking on this project and getting it done just in time for golf season to start back up. Another project we have recently completed is new lighting, sinks and toilets in the men's locker room and new lighting in the kitchen. Finishing these projects are just a few of the many items we have been able to complete thanks to the Board of Directors' ongoing careful budgeting and planning in our effort to enhance and update our club, we are happy to see the list is getting smaller.

Another item to note, we have recently advertised our club in the newsletter Inside Golf that circulates here in Western Washington. As part of this advertisement our Club will be featured in the May newsletter; copies will be available at the Pro Shop and Clubhouse once its published. Thank you Steve Dryke and Tim Lusk for taking the time to make this happen.

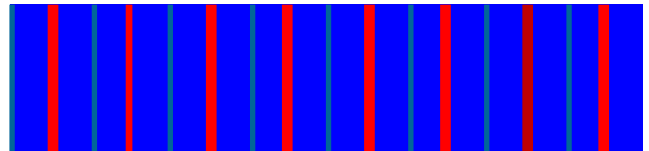

Happy Spring,

Deborah

+ Friday, 5/6/22 Horseraces begin! These events are at 5:30pm, every other Friday. These are some of our most fun reoccurring events! It is a 2-man alternate shot format with handicaps included and teams will play a max of 6 holes. Each event we'll play a different set of holes and buy-ins and prizes will vary. Be sure to look for the signs around the shop close to that date to sign up.

+ The PGA Championship is 5/19/22-5/22/22. Keep your eyes open for another pick 'em league. Our Masters pool had over 70 entries, so jump in and enjoy watching another golf major championship. We will do the same thing for the US Open and The Open Championship the next couple of months also.

+ Be sure to look at the last page of this newsletter for other events, including our Men's Club and Ladies' Club Events! We are getting more events scheduled, so I want to make sure everyone sees when those events are in case they affect your regular tee times.

We also prefer if you call ahead for tee times since we are getting into our peak season. That way, we can let you know quickly how busy the course is and manage our tee sheet a bit better.

We have all the sign up forms ready in the Pro Shop. Thanks for the business and participating in our events!

Thanks, Mark Morrow  
& the Pro Shop Team

### What is the Ruling?

Another player asks you to mark your ball near the green. After you place a ball marker behind it and you lift it, you notice some mud on the ball. Can you clean your ball?
