Our golf season is going well! We're busy and the weather has cooperated for the most part.

## Here is a review of our last month's activities:

- ♦ We just concluded the Home & Home with Gorge Vale over the last two weeks. The Americans played well at PGC but we did not fare so well in Canada so the Canadians retained the Cup. Regardless, the camaraderie was excellent and it was fun to share some stories with our neighbors from the north. Next year we'd like to get more players and the Canadians agree, so let's make that happen!
- ♦ Congrats to Mark Mitrovich, also Jack Heckman & Todd Irwin for their low gross and net scores respectively in the One-Man scramble held on 6/21/23.
- ♦ Shout out to Brian Boone, Mo Hegel, & Mark Leffers for teeing it up with me in the Summer Solstice Shootout. The day was 6/21/23 with the most sunlight and start of summer. The 4 of us went to play all three 18-hole courses in the county in the same day - 54 holes! It was a challenge, but something fun to accomplish. We started here around 7:30am, then went to Cedars, and finished around 9pm at Sunland. Hopefully next year we can get more people in - it takes a tough player to get that one done!

## Upcoming events:

- ♦ This is the last call for Clallam County Amateur sign ups and payments! Sign ups are due by Friday, 6/30/23. Dates: July 7-9/2023. Here is the link for the event: <https://7cedars.com/ccac.html>.
- ♦ Our first Mixies event was 6/26/23. We had 6 teams (couples/friends) in that event. If you and a spouse or friend are interested in playing these, please contact the pro shop and we'll put you on that specific email list.

- ♦ Our next Horse Race is Friday, 6/30/23. If you want more information on this, ask a pro shop team member.
- ♦ PGC Golf LEAGUE Players: we are now in the "free agency" / "trade" time. For the rest of this week and through week 11 (6/19/23-7/2/23) teams may add or subtract up to 3 players from their roster (not to exceed the 12-player team limit).
- ♦ We're doing a 3-person Independence Day Weekend Scramble on Saturday, 7/1/23. Check with the pro shop for more details and page 3. You'll see some pictures of eagles around and that's the event!
- ♦ The Men's Club event is 7/22/23-7/23/23. Look for an email from Gary McLaughlin on that. We will have a sign up sheet in the pro shop for that event.
- ♦ You can play at Suncadia this August! The John Wayne Sadler Memorial Tournament is set for Saturday & Sunday, 8/26/23-8/27/23. Ask a pro shop team member for the email if you want more info.
- ♦ Lastly, I want to say that we are in peak season with many events going on and we want to keep everyone in the loop. Everyone, including members, should be talking to the pro shop about their tee times this time of year. Please look at the calendar on the back of the page, this newsletter, and/or our events page online. Please call us for tee times, or better yet, the next time you're here try to plan ahead on when you want to play next. We understand a nice day comes along and you want to get out there right away, but remember that your neighbors, fellow members, and even people just visiting PA probably feel the same way too. Walk-ins may have to wait or we may not be able to accommodate a party (if we have an event). Thanks for working with us; we're doing our best for you!

Sincerely,

Mark Morrow & the Pro Shop Team

## From the President

*Deborah Jacobs*

If you've noticed Tory driving around the course with a big grin from ear to ear, that's because he's most likely riding on one of our newly acquired utility carts. Tory happened to find us a great "two for one" deal on these carts, both are in good shape and will for sure be put to good use. We have also purchased a new greens mower that should arrive sometime in August.

We just signed the contract(s) for the next round of cart path repaving and parking lot repairs/sealing/stripping, both slated for August. Scheduling will depend on the contractors schedules, our club tournament events and of course the weather.

These are big projects that will take a bit of coordination and require us to close portions of the course and parking lot. We will be sure to keep everyone informed as far in advance as possible once we have the dates confirmed.

Both of these projects along with the new equipment purchases which we have allocated for will significantly reduce our savings, so further projects and purchases will be "on hold" until we replenish our savings. Our goal is to not reduce it to less than \$100K - planning -planning- planning.

Thank you everyone for your continued support in making PGC a great place to enjoy and play golf.

Enjoy your Summer! Deborah

We are setting up a 3-person [Independence Day Weekend Scramble](#) on Saturday, 7/1/23.

This tournament has a *twist* - each player on the team must contribute 6 drives and 6 hole-outs during the round. The teams are set based on handicap - each team gets one low, mid, and high handicap player, so put your name in the mix and we'll get you out there to play. We ran it last year and it was a fun new format to try. We're setting tee times from 9:15 am to 10:00 am (or so) that day. The cost is \$20 for the competition; non-members pay normal greens fees as well. Sign up by Thursday, 6/29/23.

## Golf Rules

Gary McLaughlan

### What Is the Ruling?

You are playing in the club championship. Your tee time is 0820.

You arrive at the tee and observe a player in your group is teeing off. Are you subject to a penalty? If so, what is the penalty?
