The largest events of the year with all or some blocked days are bold . Events that we expect over 50 players are <u>underlined</u> . Events with multiple dates are in ALL CAPS. New events are <i>italicized</i> .			Dates & times of events may change check the newsletter for updates.		* Note - if the shotgun is not underlined, the course is usually open for other play including the event. <u>If a shotgun is bold & underlined, most or all of the course is expected to be blocked for approximately 5 hours.</u>
The important league dates have a background.
